## \*TPRS Storytelling® Workshops FALL 2009

*Methodology Seminars for World Language  
Teachers of all languages & all levels*

**Dr. Stephen Krashen**, author and world expert on language acquisition says,  
“TPRS is much better than anything out there.”

“I believe we have found a method on how to teach English to the poorest of the poor of the world. For me at this time there is no need to look any further. We have a system that is responsive to the needs of the people. I cannot say too much about it. I have attended several workshops in my short life, but this was certainly the most outstanding of them all.”  
- **Balbir Mathur, President, Trees for Life**

“I had 35 out of 37 students pass the AP test using TPRS.” - **Joe Neilson, Salpointe High School, Tucson, AZ**
