TPR Storytelling® Workshops

Summer 2008

*Methodology Seminars for World Language
Teachers of all languages & all levels*

*"TPRS is much better than anything out there."
- Dr. Stephen Krashen, World Expert on language acquisition*

I am in the middle of my fifth year teaching with TPRS at St. Louis Community College. Why? Simple. It Works." - Dr. Roy Day, French Teacher
The Language Educator, January 2006]

"TPRS has brought my class alive and my students (both in my German and Spanish classes) are actually speaking the target language this year. TPRS works!"-Adin Eichler

"I was ready to hang it up and just be a tour guide before I went to that first [TPRS] conference... I would come to the end of the year and wonder what I had done. I was ... frustrated that the only thing kids could remember were the songs we learned. I now get [to] the end of the year with a smile. This is my 35th year with no end in sight." - Steve Christensen

Other quotes by teachers:

- "The best workshop I ever attended."
- *"I was not planning to stay for all of this because the brochure sounded too good to be true. I am here after nine hours. That tells you how I feel."*
- "TPRS has given me a life."
