"TPRS is much better than anything out there."
 Dr. Stephen Krashen, author and world expert on language acquisition

"I am in the middle of my fifth year teaching with TPRS at St. Louis Community College. Why? Simple. It Works." - Dr. Roy Day, French Teacher [The Language Educator, January 2006]

"TPRS has brought my class alive and my students (both in my German and Spanish classes) are actually speaking the target language this year. TPRS works!" - Adin Eichler

"I was ready to hang it up and just be a tour guide before I went to that first [TPRS] conference... I would come to the end of the year and wonder what I had done. I was ... frustrated that the only thing kids could remember were the songs we learned. I now get [to] the end of the year with a smile. This is my 35th year with no end in sight." - Steve Christensen

Other quotes by teachers:

- "The best workshop I ever attended."
- "I was not planning to stay for all of this because the brochure sounded too good to be true. I am here after nine hours. That tells you how I feel."
- "TPRS has given me a life."
